*Institutional Effectiveness, Research, Assessment and Planning*

## WHO WE ARE

The Division of Institutional Effectiveness (IE) facilitates the integration of institutional research, assessment, planning and compliance reporting to support continuous improvement and decision-making district-wide. Critical functions include the following:

- Data Quality Assurance and Management
- Institutional Research (Survey Management, Trend Analysis)
- Internal and External Compliance Reporting (Federal and State)
- Strategic Planning
- Accreditation
- Environmental Scanning

## FEATURES

The Division of Institutional Effectiveness collects, analyzes and provides data concerning students, faculty, staff, and community. Examples of data and information include:

- Quick Facts
- Institutional Data Books
- Survey Analysis Reports (Graduates, Course Evaluations, Student Satisfaction)
- Labor and Employment Trends
- Tracking Reports (Registration Activities, Completion, Schedule Statistics)
- Dashboards

## WCCCD FACTS
